

(一) 進入頁面，輸入登入名稱及密碼

The screenshot shows the Fulbright Securities login interface. At the top is a black header with the Fulbright Securities logo and name. Below the header, there are two radio buttons labeled "Live" and "Paper". The "Live" button is selected. The main section is titled "Login". It contains two input fields: "Username" and "Password". The "Password" field has a toggle icon to the right. Below the input fields, there are two links: "Problem with logging in?" and "Help". At the bottom is a large green button labeled "Login".

(二) 點擊 “Complete” 進入下一步

The screenshot shows the Fulbright Securities Account Management page. At the top is a green header with the Fulbright Securities logo and name. Below the header, there is a section titled "Account Management". The main heading is "Before you proceed to your brokerage account, please review the following account tasks." Below this heading, there is a sub-heading "The following tasks must be completed in order to keep your account up-to-date." There is a list of tasks, with the first task being "Account Protection with Secure Login System". This task has a radio button to its left and a description: "We have recently added another way you can keep your account secure, a Passkey. This will enhance the robust security features we have adopted to help clients protect their accounts from fraud and other cybersecurity threats. To activate the Passkey for your account, please press Complete." To the right of the task description are two buttons: "Complete" and "Later". At the bottom right of the page is a green button labeled "Continue to Client Portal".

(三) 輸入自訂的名稱並登記，將會彈出二維碼視窗供閣下掃描（請開啟藍牙）

Login Tasks / Account Protection with Secure Login System

Register your Passkey device

You can activate and store your passkey on mobile devices (iPhone, Android phones) or on a dedicated physical authentication key (FIDO compatible - Yubikey, Google Titan, Token2, etc.).

Name your device
